A história do

O ratinho perde a namorada

A Rita mora à beira do rio Ave. Muitas vezes vai para junto da água conversar com as suas amigas rãs, com as relas, que são primas das rãs, e com os peixinhos.

Naquele dia, apareceu-lhe uma rela que disse:

– Ritinha, ando muito preocupada com o meu amigo rato. Ele está muito triste.

– Que lhe aconteceu? – perguntou a Rita.

– Não sei. O melhor é chamá-lo para lhe perguntar.

O rato apareceu e a Rita interrogou-o:

– Que tens, lindo ratinho?

– Estou muito triste. Não encontro a minha namorada, a ratinha Róiroi – respondeu o rato.

– Vamos procurá-la em terra. Anda daí! – disse a Rita.

O rato saltou para terra, não viu a sua amada e, desesperado, roeu a roda do camião do avô da Rita.

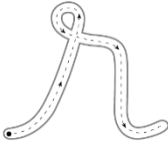

– A ratinha Róiroi não está aí! E não roas a roda do camião do meu avô!

A certa altura, dum buraco cavado na terra, saiu a ratinha Róiroi. Foi uma alegria! Os dois ratinhos abraçaram-se e beijaram-se ternamente.
