A história do

No jardim zoológico

O Nuno foi ao zoo com o Zé e com a Luzia. O Zé correu logo em direcção a uma gazela muito bonita e elegante. Nuno teve uma atitude simpática: comprou uma zínia e levou-a à Luzia.

Depois, continuaram a visita. Viram animais extraordinários: zebras, elefantes, macacos, crocodilos, papagaios, araras, jibóias... Mas o Zé estava impaciente. Queria ver outra vez a sua nova amiga, gazela. E, sempre a correr, dirigiu-se ao lugar onde ela estava. Pediu ao guarda que o deixasse entrar para junto da sua amiga gazelinha. O guarda autorizou-o e o Zé divertiu-se imenso. Correu, saltou, rebolou na erva. A gazela imitava-o.

A alegria e o entusiasmo eram tão grandes que até uma abelhinha parou e disse:

– Z... z... z... z! Deixem-me brincar convosco. Z... z... z...

– Está bem, linda abelhinha! Mas não nos piques – pediram os dois ao mesmo tempo.

– A abelhinha voava, dava voltas e mais voltas, numa felicidade sem medida.

– Abelhinha, agora vou ensinar-te como se faz o “z” de Zoo! É assim: voa para cima, dá uma voltinha, corre um bocadinho para a direita e finge deixar-te cair. Agora sobe um pouco para a direita e volta a cair. Dá uma volta mais comprida para baixo e sobe outra vez, cruzando o caminho da última descida.

E a abelhinha dava voltas e mais voltas, sem, se cansar de fazer o “z”.
