# A história do

*Simone e a fada Sissi*

Naquela noite, Simone ficou sozinha em casa. Como tinha medo da bruxa má, resolveu dormir na sala. Levou um sapo para assustar a bruxa, uma seta para lhe atirar, a sola dum sapato para lhe dar com ela e um sumo para beber.

À meia-noite, ouviu um barulho, ficou assustada e foi a correr tocar o sino. As pessoas estavam a dormir e apenas lhe apareceu a fada Sissi que lhe disse:

– Sónia, não tenhas medo! Não há bruxas más. Vai dormir que eu ficarei contigo toda a noite. Amanhã de manhã, depois de acordares, vamos fazer os trabalhos de casa. Que letrinha aprendeste hoje?

– Aprendi o “s” de sapo e de seta, mas não o consigo fazer muito bem – respondeu Simone.

– Não te preocupes, eu ajudo-te. Dorme! – disse a fada.

De manhã, a Sónia acordou, levantou-se e, tal como tinha prometido, a fada Sissi ajudou-a a fazer o “s”.

– Vamos subir a encosta dum monte. Agora saltamos para o chão e enrolamo-nos para dentro.

– Obrigado! – agradeceu Sónia.

Despediram-se com um beijo e a fada foi ajudar outros meninos.
